Explanatory Notes:

N/A Not Applicable

CSP Where it has been stated that a program has Commonwealth Supported Places (previously called HECS places and now referred to as CSP) it may be necessary to limit the number of CSPs in some areas. Every effort will be made to ensure that new students are given a CSP. If it is necessary to limit the number of CSPs, these will be awarded on academic merit. Fee-paying places with access to loans through FEE-HELP are also available in these programs to eligible students. Australian permanent residents are not eligible for FEE-HELP unless they are on a humanitarian visa. Where a program is listed as CSP/xxx this means that the figure after CSP is the cost per credit point that would apply if there were no available Commonwealth supported places in that program.

Nominations Committee Rules

1. Council shall establish a Nominations Committee pursuant and subject to By-law 14.

2. For the purposes of By-law 15 the Registrar (or nominee) will convene the Committee.

3. The Registrar (or nominee) will seek expressions of interest from suitable persons who would be qualified to hold office under the specified category. Expressions of interest may be sought in any manner determined by the Committee except that, when expressions of interest are sought for appointment as graduate members, an advertisement must be placed once in a national newspaper and once in a newspaper circulating in NSW.

4. An expression of interest may be in any form but it must include a statement addressing the nominee’s suitability for appointment in terms of the qualifications/skills/knowledge sought, together with information and qualifications and experience and full contact details. It must be received by the Registrar by the due date for the particular round of considerations.

5. A person may be nominated by a member of the University or a person may self-nominate.

6. Contact with nominees will be through the Registrar (or nominee) unless otherwise authorised by the Chancellor. The Committee will at all times respect the right of any nominee to have their nomination treated in confidence.

Subject to By-law 15 considering nominations the Committee will consider whether those nominated

• have an appreciation of the values of Macquarie University and its core activities of teaching, research and community outreach, its independence and academic freedom;

• can contribute to Council by having (or having the capacity to develop) a good understanding of what the external community needs from the University and strong external networks of benefit to the University;

• will contribute to the effective working of the Council and ensure that they have complementary skills to those already serving on Council.

7. In making its recommendations to Council, the Committee will include in its report its assessment of the nominees against the factors listed above as well as any other relevant factors it has taken into consideration in coming to its decision. It may refer to the qualities of those not recommended but it will not identify them.

6. (1) There shall be a Discipline Committee which shall consist of the Chancellor or Deputy Chancellor, the Vice-Chancellor, the Vice-President of the Academic Senate, four Deans of Divisions selected biennially by the Academic Senate, and a student of the University who shall be the Chairperson of the Macquarie University Students' Council or the Chairperson's nominee.

Any such suspension may be varied during its currency by the Vice-Chancellor or may be lifted by him or her.

(4) On such reference the Discipline Committee shall investigate matters which involve any question as to breach of discipline or misconduct of any kind by any student, or by a candidate at any University examination, and may impose penalties in accordance with academic usage.

(5) A report of the decision of the Discipline Committee in any matter shall be laid upon the tables of the Council and the Academic Senate as soon as possible after the meeting of the Discipline Committee at which the decision was given.
